## International Research Services

### Accounting & Contracting

#### EDUCATION & WORK EXPERIENCES

Madden Hale has full stewardship over all financial aspects of the company including accounting, internal controls, financial reporting, budgeting, payroll administration, and cost controls. She oversees employee benefit plans, payroll, insurance matters and ensures the overall financial stability of the company.

She also advises the executive team and Board of Directors on the best strategic decisions to scale the organization's future growth with cash forecasts and manages the corporate credit facility.

Madden has worked at organizations such as Deloitte, Walt Disney Studios, and Panavision, overseeing global teams, financial operations, and multi-site reporting.

She is highly skilled in multiple financial reporting systems and co-designed / implemented a new revenue reporting system in Modulus.

Madden is a Certified Public Accountant and earned her BS degree in Business from University of London in Great Britain.

An aerial view of a city skyline at sunset, with the sun low on the horizon, casting a warm glow over the buildings. The sky is a mix of orange and blue. The city is densely packed with skyscrapers and buildings of various heights and colors. The text is overlaid on the top half of the image.
